Dialogue with Student

At the outset, warmly congratulations on the behalf of Dnyanopasak Pariwar ! Constantly devoting for knowledge from 1984, Dnyanopasak College has made its own identification on the national and international level by devotedly preserving the motto 'Let noble thoughts come to us from everywhere' at the heart.

Dnyanopasak, in the concept of honorable Adv. Ganeshrao Dudhgaonkar, Ex. M.P. and the President who is constantly dedicating not only in the field of education but also in all the social fields with the grateful feel of returning the social debt, has been recognized as the 'five star' in the court of the government.

The college has been multi dimensionally evaluated by the UGC and the NAAC. The college is awarded with the high status 'A' grade by the NAAC in the year August 2017. The Swami Ramanand Teerth University has awarded Excellent College Award for being outstanding College in the urban area during the academic year 2011-12.

'Five Star' honor has been received by the eleven alphabetical incantation Dnyanopasak on the fundamental capital of highly educated, cultured, concerning, research-oriented, teaching community dedicated to give innovative knowledge and service-oriented non-teaching community. Consequently, the college managed to augment the digital classes so that the students will be able to take higher education along with the students on national and international level.

This college is not only working by accepting the role of teaching and learning but it is working with the inherent urge to conditioning, socially useful, self-disciplined, self-reliant, self-motivated and all pervasive human being.

As a conclusion of these things and response to the quality education, the UGC has awarded College with Potential for Excellence honor thrice from the academic year 2006-07 to 2009-10 from 2010-11 to 2014-15 and from 2015-16 to 2019-20. It is a matter of extreme happiness that you are taking admission in such a college, however, I am expecting you to be multi dimensional and equivalent to the international competition - a challenging phase of your life.

Hearty congratulations once again and welcome to the college.

Dr. Shaikh Md. Babar
I/C Principal

THE INSTITUTION

Dnyanopasak Shikshan Mandal, a registered society, opened its College of Arts, Commerce and Science, at Parbhani in 1984 with the sole aim of offering higher education and provide educational facilities in this educationally backward region. Taking into account the needs of the youth in the region, new courses of study have been started for the first time in the district by the college. The College devotes continuously for the two basic tenets of higher education in the country namely academic development and discipline among the students. The Institution, from the day of its inception, attracted rural youth whose quest for learning is being properly satisfied by paying individual attention and by directing his/her energies to creative and constructive activities. University Grants Commission, New Delhi has adjudicated this college as COLLEGE WITH POTENTIAL FOR EXCELLENCE during Xth plan period. Recently, the college is sanctioned 2.00 crore rupees fund by RUSA. The aim of the Institution also includes the building up of a morally sound and socially vigorous community of learners who, in future, will bear the responsibilities in the fast growing complex society. In fact the institution has trained the incumbent in such a manner to attain all pervasive prosperity.

The institution, started with meager 9 teachers and 51 students, has grown by leaps and bounds with a strength of 2511 students and 132 teachers in 2018-2019. Likewise the college has now grown into a premier institution of higher learning, offering Under-graduate and Post-graduate courses in various disciplines under the faculties of Arts, Commerce and Science. The strength of PG students is 886 and the college has well equipped laboratories housed in a three storey building with all facilities like internet, wi-fi campus and air-conditioning and digital classes.

The Library has more than 71120 books for circulation and subscribes to about 1140 National and International journals including Indian Science Abstracts, Indian Journal of Chemistry, Indian Journal of Pure & Applied Physics, Indian Journal of Experimental Biology, Journal of Astrophysics & Astronomy, Journal of Earth System Science, Journal of Accounting & Finance, International Journal of Comp. Science & Info. Technology, International Journal of Mathematics & Computer, International Journal of Earth Science, Engineering and Literature.

The faculty is constantly engaged in research, and the development

THE INSTITUTION

experimenting new teaching methods. Most of the faculty members acquired and continued research degrees and diplomas and have attended orientation/ refresher programs at different places in the Country.

- 01) The students of the college secured high percentage of marks in the University examinations and maintained their position in the University too where they pursue their higher studies. The college has been represented on various occasions at the University, national level competitions in sports and cultural activities where they won prizes.
- 02) The staff members of the College, during the past ten years, completed their research and were awarded Ph.D. and M.Phil. degrees. Some of the faculty members have actively engaged themselves in completing their doctoral research work while others were being motivated to undertake various research schemes. The faculty members are given freedom to introduce innovative methods of teaching to improve the academic standard of the students. The teachers are deputed to attain refresher courses and training programs organized by the National Agencies like UGC. The Management of the College is ever eager to consider the views and wishes of the teachers and students for the enhancement of academic standards.
- 03) Students and teachers are selected on the basis of merit duly taking into consideration, the reservation policies in effect, in the state. The teachers are selected by a committee comprising the President, Management Nominee, Principal, University Nominee, Govt. Nominee and three Subject Experts. Adequate provision is made to admit students from backward communities and economically weaker sections of the society.
- 04) The college is housed in a huge three storey structure raised on its own land in the heart of the city. Laboratories are fully developed with modern equipment and all basic needs are provided. The library is computerized and manned by qualified staff with high qualifications and training.
- 05) The management comprises a small body of members with the Principal as the Secretary who administers the college. The Principal guides the academic wing of the college and implements the policy decisions of the Management.

RESEARCH PROGRAMME

- o6) The Management which consists of learned and responsible citizens of the town has been providing the necessary financial and administrative help to the institution.
- o7) The administration of the college every now and then elicits the views of the staff and endeavors to implement the suggestions given by the staff and the students.
- o8) The management whole heartedly encourages to pursue research and make use of modern methods of teaching and learning. As a step of innovation, the college acquires sophisticated and modern instruments for practical purpose.
- o9) The students of P.G. are hereby informed that their admissions are subject to the change of rules and regulations of the university and state government.
