

## Sports and Games

The Department of Sports has been introduced on 16 June 1984. The Department has engaged in sports activities. The health of any institution is sum total of health of all its constituent members. The extra –curricular activities and sports give scope for their hidden talents in cultural activities and sports area. The institution has provided a standard play ground for sports like volley-ball, Kho-Kho, Kabaddi, Cricket, etc. 200 meter track for outdoor games is also provided. For indoor games like Badminton, Chess, Table-Tennis, Carom etc. the required facilities are also made available.

The institution facilitates the admission of students, who had taken part and participated in Taluka, District, Region, State level sports and cultural activities, by giving concession in admission fees. They are motivated to take part in intra college sports and cultural activities and also trained them in respective sports and cultural activities to elevate their performance in respective stages and bring out hidden talent in them to groom them for national and international sports activities. Students of this institution who comes out winner, are suitably rewarded by institution by providing them sports kit, blazers and certificates at annual social gathering at the hands of renowned personalities
